Description

Funding Amount

Fellowships

Careers in Immunology Fellowships

Provide member PIs with one year of salary support for a graduate student or postdoctoral fellow in their labs.

Up to \$66,228 in salary support

Intersect Fellowships for Computational Scientists and Immunologists

Support immunology researchers and computational scientists to train in each other's discipline. PIs receive one year of salary support for a postdoctoral fellow.

Up to \$66,228 in salary support

Fellowships for Career Reentry

Provide one year of salary support to postdoctoral fellows who have taken a leave of absence of one year or more due to family-related issues, medical absences, or military obligations.

Up to \$66,228 in salary support

Career Awards

Excellence in Mentoring Award

Recognizes a senior scientist who has significantly influenced the professional development and careers of a new generation.

\$2,000 in travel support to attend the AAI annual meeting

Steinman Award for Human Immunology Research

Recognizes an individual who has made significant contributions to the understanding of immune processes underlying human disease pathogenesis, prevention, or therapy. The recipient will present an award lecture at the AAI annual meeting.

\$5,000 award and \$2,000 in travel support to attend the annual meeting

BioLegend Herzenberg Award

Recognizes an individual who has made exemplary research contributions to the field of B cell biology. The recipient will present an award lecture at the AAI annual meeting.

\$5,000 award and \$2,000 in travel support to attend the annual meeting

Thermo Fisher Meritorious Career Award

Recognizes a mid-career scientist for outstanding research contributions to the field of immunology. The recipient will present an award lecture at the AAI annual meeting.

\$10,000 award and \$2,000 in travel support to attend the annual meeting

BD Biosciences Investigator Award

Recognizes an early career investigator who has made outstanding contributions to the field of immunology. The recipient will present an award lecture at the AAI annual meeting.

\$5,000 award and \$2,000 in travel support to attend the annual meeting

ASPIRE Award

Recognizes up to six outstanding early career investigators for research accomplishments and professional promise in the field of immunology. The recipients will present their research in a symposium at the AAI annual meeting.

\$2,000 award and \$1,500 in travel support to attend the annual meeting

Lancefield Mid-Career Achievement Award

Recognizes an outstanding mid-career woman investigator for research and leadership in the field of immunology. The recipient will present her research in an award lecture and serve as a career roundtable leader at the AAI annual meeting.

\$5,000 award and \$2,000 in travel support to attend the annual meeting

The American Association of Immunologists annually honors the research achievements and professional promise of more than **1,000** talented scientists through fellowships, career awards, and travel grants. Join AAI or renew your membership at www.aai.org/Membership to become eligible for award opportunities.

Description

Funding Amount

Travel Awards and Grants for the AAI Annual Meeting

Laboratory Travel Grants	Assist mid-career and senior investigators in attending the AAI annual meeting. Each grant will also support travel costs for a lab member of the recipient's selection.	Up to \$2,500 award
Early Career Faculty Travel Grants	Assist young investigators (assistant professor or equivalent) in attending the AAI annual meeting.	\$1,250 award
Undergraduate Faculty Travel Grants	Assist undergraduate faculty in attending the AAI annual meeting. Each grant will also support travel costs for an undergraduate student of the recipient's selection.	Up to \$2,250 award
Trainee Abstract Awards	Recognize trainee members whose first-author abstracts submitted to the AAI annual meeting are selected for presentation in block symposia.	\$500 award
Trainee Poster Awards	Recognize trainee members whose first-author abstracts submitted to the AAI annual meeting are selected for poster sessions only and found to be exceptional by the AAI Abstract Programming Chairs.	\$300 award
Thermo Fisher Trainee Achievement Awards	Recognize up to six trainees annually for career promise and presentation of an outstanding first-author abstract selected for oral presentation in a block symposium at the AAI annual meeting.	\$1,000 award and \$1,250 in travel support to attend the annual meeting
Minority Scientist Travel Awards	Assist eligible underrepresented minority scientists, including trainees and early career faculty members, in attending the AAI annual meeting.	\$1,250 award
Pfizer-Showell Travel Award	Recognizes the professional promise of an early career investigator (assistant professor or equivalent) whose first-author abstract is selected for oral presentation at a block symposium at the AAI annual meeting.	\$1,500 award
Chambers-Thermo Fisher Scientific Memorial Award	Intended to advance the career of an early career scientist (assistant professor or equivalent) who attends the AAI annual meeting and presents an outstanding abstract in the area of cancer biology.	\$1,000 award

Description

Funding Amount

Travel Awards and Grants for the AAI Annual Meeting

Lustgarten-Thermo Fisher Scientific Memorial Award

Intended to advance the career of a mid-career scientist (associate professor or equivalent) who attends the AAI annual meeting and presents an outstanding abstract in the area of immune regulation.

\$1,250 award

Lefrançois-BioLegend Memorial Award

Intended to advance the career of a trainee who attends the AAI annual meeting and presents an outstanding abstract in the area of mucosal immunology.

\$1,000 award

Other Awards

Travel for Techniques Awards

Support regular and associate members in traveling to another laboratory to learn a technique. The recipient may assign the award to another AAI member in his or her lab.

Up to \$1,500 in travel reimbursement

Outreach Awards

Support various activities such as oral and poster presentation awards, student workshops, and career sessions at member-organized immunology meetings.
